cally authorized by the Governor. The Joint Finance-Appropriations Commit-
tee will be notified promptly of any increased positions so authorized.

SECTION 3. EMPLOYEE COMPENSATION. It is the intent of the Legislature,
working cooperatively with the Governor's Office, the Division of Human Re-
sources, and the Division of Financial Management, to progress toward the
goal of funding a competitive salary and benefit package that will attract

1 qualified applicants, retain employees committed to public service excel-
2 lence, motivate employees to maintain high standards of productivity, and
3 reward employees for outstanding performance by:

- 4 1) Adjusting the compensation schedule upwards by 1% to move the salary
5 structure toward market; and
- 6 2) Continuing the job classifications that are currently on payline
7 exception to address specific recruitment or retention issues; and
- 8 3) Funding an ongoing 1% salary increase for state employees, and funding
9 the equivalent of a one-time 1% bonus for state employees, based upon
10 employee merit, with flexibility in distribution as determined by
11 the agency directors.

12 The Legislature also finds that investing in state employee compensa-
13 tion should remain a high priority even in tough economic times, and there-
14 fore strongly encourages agency directors, institution executives and the
15 Division of Financial Management to approve the use of salary savings to pro-
16 vide either one-time or ongoing merit increases for deserving employees and
17 also to target employees who are below policy compensation. Such salary sav-
18 ings could result from turnover and attrition, or be the result of innova-
19 tion and reorganization efforts that create savings. Such savings should be
20 reinvested in employees. Agencies are cautioned to use one-time funding for
21 one-time payments and ongoing funding for permanent pay increases.
