The determination shall

be expeditiously made and immediately communicated to the person requesting it.

A CONCURRENT RESOLUTION

STATING FINDINGS OF THE LEGISLATURE AND MAKING THREE SEPARATE APPLICATIONS TO THE UNITED STATES CONGRESS TO CALL A CONVENTION OF THE STATES UNDER ARTICLE V OF THE CONSTITUTION OF THE UNITED STATES FOR THE PURPOSE OF PROPOSING AMENDMENTS TO THE CONSTITUTION OF THE UNITED STATES RELATED TO BALANCING THE FEDERAL BUDGET, IMPOSING FISCAL RESTRAINTS ON THE FEDERAL GOVERNMENT, LIMITING THE POWER AND JURISDICTION OF THE FEDERAL GOVERNMENT, AND LIMITING THE TERMS OF OFFICE FOR ITS OFFICIALS AND FOR MEMBERS OF CONGRESS.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the framers of the Constitution of the United States, through the enactment of Article V, empowered state legislators to be guardians of liberty against future abuses of power by the federal government; and

WHEREAS, the federal government has created a crushing national debt through improper and imprudent spending; and

WHEREAS, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

WHEREAS, the federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

WHEREAS, it is the solemn duty of the states to protect the liberty of our people, particularly for the generations to come, by proposing amendments to the Constitution of the United States through a convention of the states under Article V of the Constitution of the United States to place clear restraints on these and related abuses of power; and

WHEREAS, the citizens of the State of Idaho believe that it is in the best interest of the people of the United States to amend the Constitution of the United States in order to adopt a balanced budget amendment and to address the areas of overreach of the federal government; and

WHEREAS, as early as 1979, the Forty-fifth Idaho Legislature enacted House Concurrent Resolution No. 7, calling

for an Article V Convention for the purpose of preparing and submitting to the states an amendment "to require, with certain exceptions, that the total of all federal appropriations may not exceed the total of all estimated federal revenues in any fiscal year"; and

WHEREAS, Article V of the Constitution of the United States mandates that upon the "Application of the Legislatures of two thirds of the several States" Congress shall "call a Convention for proposing Amendments."

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Legislature of the State of Idaho hereby makes three separate applications to Congress, under the provisions of Article V of the Constitution of the United States. The first such application is set forth in Sections 1 through 3 of this resolution. The second such application is set forth in Sections 4 through 6 of this resolution. The third such application is set forth in Sections 7 through 10 of this resolution.

SECTION 1. The members of the First Regular Session of the Sixty-eighth Idaho Legislature, the House of Representatives and Senate concurring therein, as the Legislature of the State of Idaho, hereby apply to Congress, under the provisions of Article V of the Constitution of the United States, for the calling of a convention of the states limited to proposing an amendment to the Constitution of the United States requiring that in the absence of a national emergency that the total of all Federal outlays made by the Congress for any fiscal year may not exceed the total of all estimated Federal revenues for that fiscal year, together with any related and appropriate fiscal restraints.

SECTION 2. The Secretary of State is hereby directed to transmit copies of this application to the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, and the members of the United States Senate and the United States House of Representatives from this state. The Secretary of State is further directed to transmit copies of this resolution to the presiding officers of each of the legislative houses in the several states, requesting their cooperation in this endeavor.

SECTION 3. This application constitutes a continuing application in accordance with Article V of the Constitution of the United States until the legislatures of at least two-thirds of the several states have made applications on the same subject, or until December 31, 2031, whichever occurs earlier. This application supersedes all previous applications by this Legislature on the same subject.

SECTION 4. The members of the First Regular Session of the Sixty-eighth Idaho Legislature, the House of Representatives and Senate concurring therein, as the Legislature of the State of Idaho, hereby apply to Congress, under the provisions of Article V of the Constitution of the United States, for the calling of a convention of the states limited to proposing amendments to the Constitution of the United States that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government and limit the terms of office for its officials and for members of Congress.

SECTION 5. The Secretary of State is hereby directed to transmit copies of this application to the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, and the members of the United States Senate and the United States House of Representatives from this state. The Secretary of State is further directed to transmit copies to the presiding officers of each of the legislative houses in the several states, requesting their cooperation.

the United States until the legislatures of at least two-thirds of the several states have made applications on the same subject, or until December 31, 2031, whichever occurs earlier. This application supersedes all previous applications by this Legislature on the same subject.

SECTION 7. The members of the First Regular Session of the Sixty-eighth Idaho Legislature, the House of Representatives and Senate concurring therein, as the Legislature of the State of Idaho, hereby apply to Congress, under the provisions of Article V of the Constitution of the United States, for the calling of a convention of the states limited to proposing an amendment to the Constitution of the United States to set a limit on the number of terms that a person may be elected as a Member of the United States House of Representatives and to set a limit on the number of terms that a person may be elected as a Member of the United States Senate.

SECTION 8. The Secretary of State is hereby directed to transmit copies of this application to the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives and members of the United States Senate and House of Representatives from this state. The Secretary of State is further directed to transmit copies to the presiding officers of each of the legislative houses in the several states, requesting their cooperation.

SECTION 9. This application shall be considered as covering the same subject matter as the applications from other states to Congress to call a convention to set a limit on the number of terms that a person may be elected to the House of Representatives of the Congress of the United States and the Senate of the United States, and this application shall be aggregated with the same for the purpose of attaining the two-thirds of states necessary to require Congress to call a limited convention on this subject but shall not be aggregated with any other applications on any other subject.

SECTION 10. This application constitutes a continuing application in accordance with Article V of the Constitution of the United States until the legislatures of at least two-thirds of the several states have made applications on the same subject, or until December 31, 2031, whichever occurs earlier. This application supersedes all previous applications by this Legislature on the same subject.

BY RESOURCES AND CONSERVATION COMMITTEE
A JOINT MEMORIAL**

TO THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Sixty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the Equal Access to Justice Act (EAJA) of 1980 authorizes the award of attorney's fees and other expenses to certain individuals, small businesses, and other entities that prevail against the federal government in judicial proceedings and adversary adjudications before federal agencies when the government's position is not substantially justified; and

WHEREAS, the John D. Dingell, Jr. Conservation, Management, and Recreation Act of 2019 established a requirement that the Administrative Conference of the United States make annual reports to Congress and to maintain a searchable online database containing information about each fee award under the EAJA, including the amount, the recipient,

and the basis for the finding that the government's position was not substantially justified; and

WHEREAS, in fiscal year 2023, federal agencies reported paying \$115,476,482.59 in awards of attorney's fees and other expenses under the EAJA; and

WHEREAS, in fiscal year 2023, the United States Department of the Interior reported 19 awards totaling \$2,868,732.63 and the Environmental Protection Agency reported six awards totaling \$1,408,792.88; and

WHEREAS, the Supreme Court has held that a party need not prevail on all of its claims, or even on the central issue in the case, but only on any significant issue in litigation that achieved some of the benefit the parties sought in bringing the suit; and

WHEREAS, the EAJA has been inappropriately used to appropriate taxpayer dollars to fund litigation aimed at preventing development and/or resource extraction; and

WHEREAS, Idaho citizens' whose livelihoods depend on successfully and efficiently executing agreements and completing development on land within the state of Idaho are harmed when litigation concerning natural resources stalls their ability to work.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Legislature respectfully requests federal intervention with legislation to amend the EAJA so that moneys may only be awarded pursuant thereto if a party prevails on its central issue in matters involving environmental or natural resource issues.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress and to the congressional delegation representing the State of Idaho in the Congress of the United States.
