SECTION 2. FTP AUTHORIZATION. In accordance with Section 67-3519, Idaho Code, the Department of Finance is authorized no more than sixty-four (64) full-time equivalent positions at any point during the period July 1, 2013, through June 30, 2014, unless specifically authorized by the Governor. The Joint Finance-Appropriations Committee will be notified promptly of any increased positions so authorized.

SECTION 3. EMPLOYEE COMPENSATION. The Legislature finds that investing in state employee compensation should remain a high priority even in tough economic times, and therefore strongly encourages agency directors, institution executives and the Division of Financial Management to approve the use of salary savings to provide either one-time or ongoing merit increases for deserving employees, and also target employees who are below policy compensation. Such salary savings could result from turnover and attrition, or be the result of innovation and reorganization efforts that create savings. Such savings should be reinvested in employees. Agencies are cautioned to use one-time funding for one-time payments and ongoing funding for permanent pay increases.
