SECTION 2. EMPLOYEE COMPENSATION. The Legislature finds that investing in state employee compensation should remain a high priority even in tough economic times, and therefore strongly encourages agency directors, institution executives and the Division of Financial Management to approve the use of salary savings to provide either one-time or ongoing merit increases for deserving employees, and also target employees who are below policy compensation. Such salary savings could result from turnover and attrition, or

be the result of innovation and reorganization efforts that create savings.
Such savings should be reinvested in employees. Agencies are cautioned to use one-time funding for one-time payments and ongoing funding for permanent pay increases.

SECTION 3. EXEMPTIONS FROM OBJECT TRANSFER LIMITATIONS. For fiscal year 2014, the Division of Professional-Technical Education, Postsecondary Program, is hereby exempted from the provisions of Section 67-3511 (1) and (3), Idaho Code, allowing unlimited transfers between object codes, for all moneys appropriated to it for the period July 1,2013, through June 30, 2014. Legislative appropriations shall not be transferred from one fund to another fund unless expressly approved by the Legislature.

SECTION 4. NON-GENERAL FUND REAPPROPRIATION AUTHORITY. There is hereby reappropriated to the Division of Professional-Technical Education any unexpended and unencumbered balances of moneys categorized as dedicated funds and federal funds as appropriated for fiscal year 2013, to be used for nonrecurring expenditures, for the period July 1, 2013, through June 30, 2014.
