IN THE SENATE

SENATE BILL NO. 1068

BY AGRICULTURAL AFFAIRS COMMITTEE

AN ACT

RELATING TO THE IDAHO INVASIVE SPECIES ACT; AMENDING CHAPTER 8, TITLE 67, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 67-818A, IDAHO CODE, TO ESTABLISH THE OFFICE OF INVASIVE SPECIES POLICY WITHIN THE OFFICE OF SPECIES CONSERVATION AND TO PROVIDE DUTIES OF THE OFFICE; AMENDING SECTION 22-1903, IDAHO CODE, TO REQUIRE THE INVASIVE SPECIES ACT TO BE ADMINISTERED IN CONJUNCTION WITH THE OFFICE OF INVASIVE SPECIES POLICY; AMENDING SECTION 22-1904, IDAHO CODE, TO REVISE DEFINITIONS; AMENDING SECTION 22-1906, IDAHO CODE, TO REVISE THE DUTIES OF THE DIRECTOR OF THE DEPARTMENT OF AGRICULTURE; AMENDING SECTION 22-1908, IDAHO CODE, TO PROVIDE THAT CERTAIN CHECK STATIONS MAY BE PRIORITIZED TO HAVE EXTENDED OPERATING HOURS AND TO PROVIDE A PENALTY FOR A PERSON FAILING TO STOP AT A CHECK STATION; AMENDING SECTION 22-1912, IDAHO CODE, TO PROVIDE THAT THE DIRECTOR SHALL PURSUE FEDERAL GOVERNMENT PARTNERSHIPS AND FUNDING; AMENDING SECTION 22-1914, IDAHO CODE, TO PROVIDE CONDITIONS UNDER WHICH THE DIRECTOR SHALL ENTER INTO COOPERATIVE AGREEMENTS OR DELEGATE DUTIES TO CERTAIN OTHER ENTITIES; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 8, Title 67, Idaho Code, be, and the same is hereby amended by the addition thereto of a $\underline{\text{NEW SECTION}}$, to be known and designated as Section 67-818A, Idaho Code, and to read as follows:

67-818A. OFFICE OF INVASIVE SPECIES POLICY. (1) There is hereby established within the office of species conservation the "office of invasive species policy." The office of invasive species policy shall act as policy advisor to the department of agriculture, the fish and game department, the department of parks and recreation, and other state, local, federal and private sector agencies and organizations with the goal of combating harmful invasive species infestations throughout the state and preventing the introduction of others that may be potentially harmful. The administrator of the office of invasive species policy shall be the official in the state who is designated to oversee and execute the coordination of all invasive species programs within the state of Idaho. The administrator shall be appointed by and shall serve at the pleasure of the governor.

- (2) The office of invasive species policy shall:
- (a) Cooperate and consult with local, state and federal agencies, the legislature, the congress and the states and provinces within the pacific northwest economic region on programs, policies and issues in combating invasive species infestations in Idaho;
- (b) Serve as a lead to prioritize actions, compile a regional cost document, establish reciprocity for watercraft inspections across geopolitical boundaries, make data and information more widely available,

and ensure effective and complete monitoring by the department of agriculture and any other necessary agencies;

- (c) Serve as a repository of agreements, contracts and plans concerning programs for the identification and eradication of invasive species with other relevant local, state and federal agencies and shall facilitate the exchange of this information and data with relevant interstate and intrastate entities;
- (d) Provide input and comment on community, tribal and federal plans, agreements and policies in relation to invasive species;
- (e) Coordinate public and private entities to develop, create and promote statewide campaigns to prevent and eradicate invasive species in Idaho;
- (f) Promote and track actions that address existing gaps in state and federal legislation;
- (g) Recommend actions to enhance awareness, understanding and appreciation of the economic and natural resource significance of the threat of high-risk invasive species to the pacific northwest region and to enhance political will and effectuate positive changes in public behavior;
- (h) Develop strategies to ensure equitable, long-term sustainable funding for invasive species prevention; and
- (i) Foster coordinated approaches that support local initiatives for the prevention and control of invasive species.
- SECTION 2. That Section 22-1903, Idaho Code, be, and the same is hereby amended to read as follows:
- 22-1903. ADMINISTRATION. This chapter shall be administered by the Idaho state department of agriculture, in consultation with the office of invasive species policy.
- SECTION 3. That Section 22-1904, Idaho Code, be, and the same is hereby amended to read as follows:
- 22-1904. DEFINITIONS. Unless otherwise noted in this chapter the definitions as set forth in section 22-2005, Idaho Code, are adopted by reference.
- (1) "Conveyance" means a terrestrial or aquatic vehicle or a vehicle part that may carry or contain an invasive species or plant pest. A conveyance includes a motor vehicle, a vessel, a motorboat, a sailboat, a personal watercraft, a trailer or any other means or method of transportation. "Conveyance" also includes a live well or a bilge area of a watercraft.
- (2) "Environmental harm" means to cause significant adverse effects on uses of natural resources or on plants or animals.
- (3) "Invasive species" means species not native to Idaho, including noxious weeds, plants, weeds, their seeds, eggs, spores, larvae or other biological material capable of propagation, that cause economic or environmental harm and are capable of spreading in the state. "Invasive species" does not include crops, improved forage grasses, domestic livestock, or other beneficial nonnative organisms.

SECTION 4. That Section 22-1906, Idaho Code, be, and the same is hereby amended to read as follows:

- 22-1906. DUTIES OF THE DEPARTMENT AND DIRECTOR. The department $\frac{\text{shall}}{\text{by law}}$, rule or by order of the department, all invasive species that may cause economic or environmental harm to the state. The director shall:
- (1) After due investigation, report the detection of new invasive species within the state to the appropriate state and federal officials $\dot{\tau}$.
- (2) Issue permits for the transport or possession of an invasive species into, within or through the state of Idaho. Permits shall include requirements to ensure the containment of that species, as may be prescribed in rule.
- (3) Develop and administer an early detection and rapid response protocol for Idaho in conjunction with the appropriate local, state, tribal and federal entities.
- (4) Identify and enter into cooperative agreements with appropriate local, state, tribal and federal entities.
- (5) Pursue all available funding from any other lawful source including, without limitation, gifts, grants, legacies of money, property, securities or other assets, or any other source, public or private.
- $\underline{\mbox{(7)}}$ Provide ongoing education and training to check station inspectors.
- (8) Develop a strategic plan that contains a long-term strategy with goals for all invasive species and addresses, at a minimum, scouting and monitoring, early detection, rapid response and eradication. The strategic plan shall be developed in conjunction with the office of invasive species policy and with scouting and stakeholder involvement.
- (8) Engage in opportunities to harmonize all relevant statutes including, but not limited to, noxious weed law, plant pest act, deleterious exotic animal law and any relevant enforcement and wildlife statutes.
- (9) Report to the agricultural affairs committee of the Idaho house of representatives and to the agricultural affairs committee of the Idaho senate at least annually on the details and all aspects of the functioning of the invasive species program.

These duties shall not usurp existing provisions of the Idaho Code, programs that deal with invasive species issues, or the individual missions of any state agency or duplicate efforts existing upon passage of this act.

- SECTION 5. That Section 22-1908, Idaho Code, be, and the same is hereby amended to read as follows:
- 22-1908. AUTHORITY TO CONDUCT INSPECTIONS. (1) In order to accomplish the purposes of this chapter, the director may enter upon and inspect any public or private premises, lands, bodies of water, or means of conveyance, or article of any person within this state, for the purpose of inspecting, surveying, treating, controlling, collecting samples, or destroying any invasive species.
- (2) The director may establish check stations at points of entry to the state, or other facilities and sites throughout the state, as necessary to carry out the provisions of this chapter. Check station inspectors shall ex-

amine all conveyances for the presence of any type of invasive species, both plant and animal. The director shall allocate resources so as to give priority to extending operating hours for any check station located in close proximity to an infested water body or to the boundary with another state or province.

45 46 (3) No person shall proceed past or travel through an established inspection station during its hours of operation while towing, carrying or transporting any conveyance without presenting such conveyance for inspection. Any person who violates this subsection is subject to the penalties set forth in section 22-1913, Idaho Code.

SECTION 6. That Section 22-1912, Idaho Code, be, and the same is hereby amended to read as follows:

22-1912. CONTROL AND ERADICATION COSTS -- DEFICIENCY WARRANTS --COOPERATION WITH OTHER ENTITIES AND CITIZENS. Whenever the director determines that there exists the threat of an infestation of an invasive species on state-owned land or water, private, forested, range or agricultural land or water, and that the infestation is of such a character as to be a menace to state, private, range, forest or agricultural land or water, the director shall cause the infestation to be controlled and eradicated, using such moneys as have been appropriated or may hereafter be made available for such purposes. Provided however, that whenever the cost of control and eradication exceeds the moneys appropriated or otherwise available for that purpose, the state board of examiners may authorize the issuance of deficiency warrants against the general fund for up to five million dollars (\$5,000,000) in any one (1) year for such control and eradication. Control and eradication costs may include, but are not limited to, costs for survey, detection, inspection, enforcement, diagnosis, treatment and disposal of infected or infested materials, cleaning and disinfecting of infected premises or vessels and indemnity paid to owners for infected or infested materials destroyed by order of the director. The director, in executing the provisions of this chapter insofar as it relates to control and eradication, shall have the authority to cooperate with federal, state, county and municipal agencies and private citizens in control and eradication efforts; provided, that in the case of joint federal/state programs, state moneys shall only be used to pay the state's share of the cost of the control and eradication efforts. Such moneys for which the state shall thus become liable shall be paid as a part of the expenses of the Idaho state department of agriculture out of appropriations that shall be made by the legislature for that purpose from the general fund of the state. In all appropriations hereafter made for expenses of the department, account shall be taken of and provision made for this item of expense. In order to minimize the financial impact of control and eradication costs on state funds, the director shall actively pursue partnerships with the federal government and take advantage of any associated federal funds available to Idaho.

SECTION 7. That Section 22-1914, Idaho Code, be, and the same is hereby amended to read as follows:

22-1914. COOPERATIVE AGREEMENTS. (1) The department $\frac{1}{1}$ shall enter into cooperative agreements with persons and entities including, but not limited to, civic groups and other state, federal, local and tribal governmental agencies, to adopt and execute plans to detect and control areas infested with invasive species. Such cooperative agreements may include provisions for funding to implement agreements.

- (2) If an invasive species occurs and cannot be adequately controlled by individual persons, owners, tenants or local units of government, the department $\frac{1}{2}$ shall conduct the necessary control measures independently or on a cooperative basis with federal or other units of government.
- (3) The department shall have the authority to delegate selected and clearly identified elements of its authorities and duties to another agency of the state with appropriate expertise or administrative capacity upon mutual agreement with that agency. The department is authorized to enter into formal memoranda of agreement with other state agencies including, but not limited to, the Idaho state police, the Idaho department of fish and game, appropriate Idaho counties, local government and local law enforcement officials, to implement the delegations authorized in this subsection. Such delegation may include provisions of funding for implementation of the delegations. The department shall retain primary authority and responsibility for all requirements of this chapter unless otherwise directed herein.
- SECTION 8. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.
