SECTION 2. FTP AUTHORIZATION. In accordance with Section 67-3519, 15 Idaho Code, the Office of the Lieutenant Governor is authorized no more than 16 three (3) full-time equivalent positions at any point during the period July 17 1, 2014, through June 30, 2015, unless specifically authorized by the Gover-18 nor. The Joint Finance-Appropriations Committee will be notified promptly 19 20 of any increased positions so authorized.

SECTION 3. EXEMPTIONS FROM OBJECT TRANSFER LIMITATIONS. For fiscal year 2015, the Office of the Lieutenant Governor is hereby exempted from the provisions of Section 67-3511(1) and (3), Idaho Code, allowing unlimited transfers between object codes, for all moneys appropriated to it for the period July 1, 2014, through June 30, 2015. Legislative appropriations shall not be transferred from one fund to another fund unless expressly approved by the Legislature.

SECTION 4. EMPLOYEE COMPENSATION. It is the intent of the Legislature, working cooperatively with the Governor's Office, the Division of Human Resources, and the Division of Financial Management, to progress toward the goal of funding a competitive salary and benefit package that will attract qualified applicants, retain employees committed to public service excellence, motivate employees to maintain high standards of productivity, and reward employees for outstanding performance by:

1) Adjusting the compensation schedule upwards by 1% to move the salary structure toward market; and

2) Continuing the job classifications that are currently on payline exception to address specific recruitment or retention issues; and

3) Funding an ongoing 1% salary increase for state employees, and funding the equivalent of a one-time 1% bonus for state employees, based upon employee merit, with flexibility in distribution as determined by the agency directors.

The Legislature also finds that investing in state employee compensation should remain a high priority even in tough economic times, and therefore strongly encourages agency directors, institution executives and the Division of Financial Management to approve the use of salary savings to provide either one-time or ongoing merit increases for deserving employees and also to target employees who are below policy compensation. Such salary savings could result from turnover and attrition, or be the result of innovation and reorganization efforts that create savings. Such savings should be reinvested in employees. Agencies are cautioned to use one-time funding for one-time payments and ongoing funding for permanent pay increases.
