- (a) Add any state and local taxes, as defined in section 164 of the Internal Revenue Code and, measured by net income, paid or accrued during the taxable year adjusted for state or local tax refunds used in arriving at taxable income.
- (b) Add the net operating loss deduction used in arriving at taxable income.
  - (1) A net operating loss for any taxable year commencing on and after January 1, 2000, but before January 1, 2013, shall be a net operating loss carryback not to exceed a total of one hundred thousand dollars (\$100,000) to the two (2) immediately preceding taxable years. Any portion of the net operating loss not subtracted from income in the two (2) preceding years may be subtracted from income in the next twenty (20) years succeeding the taxable year in which the loss arises in order until exhausted. The sum of the deductions may not exceed the amount of the net operating loss deduction incurred. At the election of the taxpayer, the two (2) year carryback may be foregone and the loss subtracted from income received in taxable years arising in the next twenty (20) years succeeding the taxable year in which the loss arises in order until exhausted. The election shall be made as under section 172(b)(3) of the Internal Revenue Code. An election under this subsection must be in the manner prescribed in the rules of the state tax commission and once made is irrevocable for the year in which it is made. The term

"income" as used in this subsection (c) means Idaho taxable income as defined in this chapter as modified by section 63-3021(b)(2), (3) and (4), Idaho Code.

- (2) A net operating loss for any taxable year commencing on or after January 1, 2013, shall be a net operating loss carryback not to exceed a total of one hundred thousand dollars (\$100,000) to the two (2) immediately preceding taxable years only if an amended return carrying the loss back is filed within one (1) year of the end of the taxable year of the net operating loss that results in such carryback.
- (3) Any portion of the net operating loss not subtracted from income in the two (2) preceding years may be subtracted from income in the next twenty (20) years succeeding the taxable year in which the loss arises in order until exhausted. The sum of the deductions may not exceed the amount of the net operating loss deduction incurred.
- (4) Net operating losses incurred by a corporation during a year in which such corporation did not transact business in Idaho or was not included in a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, may not be subtracted. However, if at least one (1) corporation within a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, was transacting business in Idaho during the taxable year in which the loss was incurred, then the net operating loss may be subtracted. Net operating losses incurred by a person, other than a corporation, in activities not taxable by Idaho may not be subtracted.

armed forces of the United States for services performed outside this state. The deduction is allowed only to the extent such income is included in taxable income.

- (n) In the case of an individual, deduct the amount contributed to a college savings program pursuant to chapter 54, title 33, Idaho Code, but not more than four thousand dollars (\$4,000) per tax year. If the contribution is made on or before April 15, 2001, it may be deducted for tax year 2000 and an individual can make another contribution and claim the deduction according to the limits provided in this subsection during 2001 for tax year 2001, as long as the contribution is made on or before December 31, 2001.

- (b) Except in regard to amounts withheld as provided in section 63-3035, 63-3035A or 63-3036, Idaho Code, or amounts paid as estimated payments under section 63-3036A, Idaho Code, a claim for credit or refund of tax, penalties, or interest paid shall be made within the later of three (3) years of the due date of the return, without regard to extensions, or three (3) years from the date the return was filed. However, with regard to remittances received with an extension of time to file, or a tentative return, a claim for credit or refund of such remittances shall be made within three (3) years from the due date of the return without regard to extensions.
- (c) With regard to amounts withheld as provided in section 63-3035, 63-3035A or 63-3036, Idaho Code, or amounts paid as estimated payments under section 63-3036A, Idaho Code, a claim for credit or refund shall be made within three (3) years from the due date of the return, without regard to extensions, for the taxable year in respect to which the tax was withheld or paid. However, with regard to an individual who is entitled to an extension of time as provided in section 7508 of the Internal Revenue Code, the three (3) year period provided in this subsection for claiming a credit or refund shall be extended by the number of days disregarded under section 7508 of the Internal Revenue Code.
- (d) Notwithstanding any other provisions of this section, when Idaho taxable income and/or tax credits for any taxable year have been adjusted as a result of a final federal determination, the period of limitations for claiming a refund or credit of tax, penalties, or interest shall be reopened and shall not expire until the later of one (1) year from the date of delivery of the final federal determination to the taxpayer by the internal revenue service, three (3) years from the due date of the return, without regard to extensions, or three (3) years from the date the return was filed. For purposes of this subsection, the term "final federal determination" shall mean the final resolution of all issues which were adjusted by the internal revenue service. When the final federal determination is submitted, the taxpayer shall also submit copies of all schedules and written explanations provided by the internal revenue service. Upon the expiration of the period of limitations as provided in subsections (b) and (h) of this section, only those specific items of income, deductions, gains, losses or credits which were adjusted in the final federal determination shall be subject to adjust-

ment for purposes of recomputing Idaho income, deductions, gains, losses, credits, and the effect of such adjustments on Idaho allocations and apportionments.

- (e) If a claim for credit or refund relates to an overpayment attributable to a net operating loss carryback <u>incurred in a taxable year commencing in 2012 or earlier</u>, or a capital loss carryback, in lieu of the period of limitations prescribed in subsection (b) of this section, the period shall be that period which ends with the expiration of the fifteenth day of the fortieth month following the end of the taxable year of the net operating loss or capital loss which results in such carryback. <u>Claims for net operating losses carried back from taxable years commencing after 2012 shall be made pursuant to section 63-3022</u>, Idaho Code.

- (g) In the case of a duplicate return filed under section 63-217(1) (b), Idaho Code, the limitations under this section shall be the later of one (1) year from the filing of the duplicate return or the date otherwise applicable under this section.
- (h) Prior to the expiration of the time prescribed in this section for credit or refund of any tax imposed by the provisions of this chapter, both the state tax commission or its delegate or deputy and the taxpayer may consent in writing to extend such period of time. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. When a pass-through entity extends the period of limitations in accordance with the provisions of this subsection the period of limitations for the other taxpayers is automatically extended for the same period for the purpose of claiming a credit or refund of tax, penalties or interest by the other taxpayers reflecting the pass-through entity adjustments.
- (i) The expiration of the period of limitations as provided in this section shall be suspended for the time period between the issuance by the state tax commission of a notice under either section 63-3045 or 63-3065, Idaho Code, and the final resolution of any proceeding resulting from the notice.
- (j) Appeal of a state tax commission decision denying in whole or in part a claim for credit or refund shall be made in accordance with and within the time limits prescribed in section 63-3049, Idaho Code.
