IN THE SENATE

SENATE BILL NO. 1324

BY EDUCATION COMMITTEE

AN ACT

2 RELATING TO COMMUNITY COLLEGES; PROVIDING LEGISLATIVE INTENT; PROVIDING

3 A SHORT TITLE; AND AMENDING CHAPTER 21, TITLE 33, IDAHO CODE, BY THE

4 ADDITION OF A NEW SECTION 33-2145, IDAHO CODE, TO ESTABLISH PROVISIONS

5 RELATING TO A PLAN REGARDING ATTENDANCE AT IDAHO PUBLIC COMMUNITY COLLEGES.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. LEGISLATIVE INTENT. Understanding that education is the cornerstone of a successful economy, it is the intent of the Legislature that every Idaho student who wishes to attend an Idaho public community college is able to do so, either in person or remotely via technology. The Legislature urges the state's community colleges, the State Board of Education and all other interested stakeholders to develop and implement a plan to ensure that every Idaho student is able to attend a state community college. The Legislature acknowledges that by ensuring every student has the opportunity to attend an Idaho community college, Idaho's students will be able to fully participate in our state's future, either by being ready upon graduation to successfully enter the workforce or by being ready to continue their post-secondary education through Idaho's four-year colleges and universities.

SECTION 2. This act shall be known as the "Community College Opportunity Act of 2014."

SECTION 3. That Chapter 21, Title 33, Idaho Code, be, and the same is hereby amended by the addition thereto of a <u>NEW SECTION</u>, to be known and designated as Section 33-2145, Idaho Code, and to read as follows:

- 33-2145. STATE BOARD AND STAKEHOLDER COLLABORATION TO ENSURE AVAILABILITY OF COMMUNITY COLLEGE EDUCATION. (1) The state board of education is hereby directed to collaborate with all appropriate stakeholders, including the state department of education, representatives from colleges of education in the state, policymakers, the division of professional-technical education and others to develop and submit to the legislature by no later than December 1, 2014, a plan to ensure that every Idaho student who wishes to attend an Idaho public community college is able to do so, either in person or remotely via technology.
- (2) The plan provided for in subsection (1) of this section shall establish provisions guiding the state's community colleges in how best to ensure that the curriculum offered by the colleges is readily available to students domiciled throughout the state. The goal of the plan shall be that every student who wants to attend a community college, either at the community college or remotely via technology, will have a reasonable and affordable opportunity to do so.

(3) The plan should take into account and be based upon the existing community college system and available technology to ensure that easily affordable courses are available to prospective students throughout the state.
