## IN THE HOUSE OF REPRESENTATIVES

## HOUSE BILL NO. 528

## BY STATE AFFAIRS COMMITTEE

AN ACT RELATING TO THE TESTING OF SEXUAL ASSAULT EVIDENCE KITS; PROVIDING LEGISLA-TIVE INTENT; AND AMENDING CHAPTER 29, TITLE 67, IDAHO CODE, BY THE AD-DITION OF A NEW SECTION 67-2919, IDAHO CODE, TO PROVIDE THAT THE IDAHO STATE POLICE FORENSIC SERVICES LABORATORY SHALL TEST SEXUAL ASSAULT EV-IDENCE KITS, TO PROVIDE DUTIES FOR HEALTH CARE FACILITIES, TO PROVIDE DUTIES FOR LOCAL LAW ENFORCEMENT, TO PROVIDE PROCEDURES FOR THE LABO-RATORY FOR TESTING KITS, TO PROVIDE FOR RETENTION OF KITS, TO PROVIDE FOR INDEPENDENT REVIEW OF KITS IN CERTAIN INSTANCES, TO PROVIDE RULE-10 MAKING AUTHORITY, TO PROVIDE THAT IDAHO STATE POLICE FORENSIC SERVICES SHALL PROVIDE KITS TO CERTAIN PARTIES, TO PROVIDE REPORTING AND AUDIT-11 ING REQUIREMENTS FOR UNTESTED KITS, TO PROVIDE FOR VICTIM NOTIFICATION, 12 TO PROVIDE FOR REPORTING REQUIREMENTS AND TO DEFINE A TERM. 13

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. LEGISLATIVE INTENT. The Legislature finds that DNA evidence is a powerful law enforcement tool that can identify unknown suspects, connect crimes together and exonerate the innocent. It is the intent of the Legislature that sexual assault evidence kits are tested in a timely manner to advance public safety.

- SECTION 2. That Chapter 29, Title 67, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 67-2919, Idaho Code, and to read as follows:
- 67-2919. TESTING OF SEXUAL ASSAULT EVIDENCE KITS. (1) Unless an adult victim of a reported sexual assault expressly indicates otherwise and except as provided in subsection (6) of this section, evidence obtained in a sexual assault evidence kit shall be tested by the Idaho state police forensic services laboratory according to sampling protocols and procedures established by the laboratory.
- (2) A health care facility that has performed a medical examination of a victim of a reported sexual assault using a sexual assault evidence kit shall notify the local law enforcement agency of the jurisdiction where the reported sexual assault occurred that sexual assault evidence has been collected and is ready for law enforcement to take custody of such evidence according to their established protocol.
- (3) A local law enforcement agency that receives notice from a health care facility as described in subsection (2) of this section shall facilitate the collection of the sexual assault evidence kit and any other collected evidence from the health care facility. After obtaining the sexual assault evidence kit and any other collected evidence from the health care facility, the local law enforcement agency shall submit such kit, in adherence to the submission policies of the Idaho state police forensic services

laboratory, to the Idaho state police forensic services laboratory for testing as soon as reasonably practical, but not later than thirty (30) days after obtaining the kit. If kit submission to the Idaho state police forensic services laboratory is not done within the thirty (30) day time limit or testing is not done by the Idaho state police forensic services within the ninety (90) day additional time limit established in this subsection, it shall not affect the ability to prosecute or defeat the jurisdiction of the court. Any law enforcement agency with sexual assault evidence kits or other sexual assault case evidence belonging to another jurisdiction must notify that jurisdiction within seven (7) days of obtaining the kits or evidence, and the receiving jurisdiction must pick up the sexual assault evidence kits or other sexual assault case evidence within seven (7) days.

- (4) For all sexual assault evidence kits received pursuant to subsection (3) of this section, the Idaho state police forensic services laboratory shall test such kits and submit eligible results to the Idaho DNA database within ninety (90) days. The laboratory shall report any kits not processed within ninety (90) days to the county prosecutor with jurisdiction in the case and to the Idaho legislature.
- (5) Following analysis by the Idaho state police forensic services laboratory, sexual assault evidence kits shall be returned to and retained by the investigating agency in accordance with agency evidence standards following a reported sexual assault or for the period of time that any person remains incarcerated in connection with the offense, whichever is greater.
- (6) All sexual assault evidence kits collected in this state shall be processed by the Idaho state police forensic services laboratory except when there is no evidence to support a crime being committed, when it is no longer being investigated as a crime or when an adult victim expressly indicates that no further forensic examination or testing occur pursuant to subsection (1) of this section. Any sexual assault evidence kit that is not examined and tested shall be independently reviewed by the county prosecutor. In the event such review concludes that the kit should have been tested, testing shall occur as provided in subsections (3) and (4) of this section.
- (7) The Idaho state police shall promulgate rules to create a tracking process for sexual assault evidence kits in possession of the Idaho state police forensic services laboratory and every law enforcement agency throughout the state. Such rules shall provide for the information to be submitted to the Idaho state police by law enforcement agencies to assist in such tracking.
- (8) Idaho state police forensic services shall approve and provide, at no cost to the victim, appropriate sexual assault evidence kits to requesting health care facilities and law enforcement agencies. All such kits shall contain a form for victims to inform them of their right of notification pursuant to subsections (10) and (11) of this section and of their right to decline to have a kit collected or tested pursuant to subsection (1) of this section.
- (9) Within one hundred eighty (180) days of the effective date of this act, the Idaho state police forensic services laboratory shall provide a one-time report to the legislature of all untested sexual assault evidence kits in Idaho. To assist with this one-time report, all law enforcement agencies in Idaho shall perform a one-time audit of any untested sexual as-

sault evidence kits in their possession and submit to the Idaho state police forensic services director the following:

- (a) The number of untested kits in the law enforcement agency's possession;
- (b) The date each kit was collected and the reason it was not submitted to Idaho state police forensic services for testing; and
- (c) The number of any anonymous or unreported kits in the law enforcement agency's possession.

Law enforcement agencies shall follow the same protocol to perform the audit of untested sexual assault evidence kits as they would with any new kit submitted to the agency. The audit performed by a law enforcement agency shall be reviewed by a law enforcement representative and the county prosecutor before the final report is provided to the legislature.

- (10) A law enforcement agency that submits a sexual assault evidence kit pursuant to subsection (3) of this section shall upon written request notify a victim of sexual assault, a parent or guardian if the victim is a minor at the time of notification, or a relative if the victim is deceased, of the following:
  - (a) When the sexual assault evidence kit is submitted to the Idaho state police forensic services laboratory;
  - (b) When any evidence sample DNA profile is entered into the Idaho DNA database; and
  - (c) When a DNA match occurs; provided however, that such notification shall state only that a match has occurred and shall not contain any genetic or other identifying information.
- (11) The county prosecutor, or their designee, shall upon written request notify a victim of sexual assault, a parent or guardian if the victim is a minor at the time of notification, or a relative if the victim is deceased, of the following:
  - (a) When there is any planned destruction of a sexual assault evidence kit or any other sexual assault case evidence; and
  - (b) When there is any change in the status of their case or reopening of the case.
- (12) On or before January 20, 2017, and by January 20 of each year thereafter, Idaho state police forensic services shall submit a report to the Idaho legislature regarding its examination of sexual assault evidence kits throughout the state in the previous year. The report shall include, but not be limited to, the number of kits purchased and distributed by Idaho state police forensic services, the number of kits collected by each law enforcement agency, the number of kits tested by the Idaho state police forensic services laboratory, the number of kits not submitted to the Idaho state police forensic services laboratory pursuant to subsection (1) or (6) of this section, the number of DNA database hits from sexual assault cases, a list of any law enforcement agencies that did not adhere to the tracking process promulgated pursuant to subsection (7) of this section, and for the report submitted in 2017, a list of any law enforcement agencies that did not participate in the audit required in subsection (9) of this section. This report shall be available on the website of the Idaho state police and readily available to the public. No victim or alleged perpetrator names shall be

included in the report. Information shall be provided in aggregate and shall not include case-specific information.

(13) As used in this section, "sexual assault evidence kit" means a set of materials, such as swabs and tools for collecting blood samples, used to gather forensic evidence from a victim of reported sexual assault and the evidence obtained with such materials.
