- Be It Enacted by the Legislature of the State of Idaho:
- SECTION 1. That Section 39-8802, Idaho Code, be, and the same is hereby amended to read as follows:
 - 39-8802. LEGISLATIVE FINDINGS AND INTENT. (1) The legislature of the state of Idaho finds:
 - (a) That the protection of the environment from leaking underground storage tanks is a matter of statewide concern;
 - (b) That subchapter IX of the solid waste disposal act (42 U.S.C. 6991, et seq. (2000)), as amended by the underground storage tank compliance act, public law 109-58, title XV, August 8, 2005, and regulations adopted pursuant thereto, establish federal law regulating underground storage tanks; and
 - (c) That 42 U.S.C. 6991c(a) and 40 CFR part 281 allow the administrator of the United States environmental protection agency to approve a state program.
 - (2) Therefore, it is the intent of the legislature:
 - (a) To establish a state underground storage tank program to comply with the requirements of the underground storage tank compliance act, public law 109-58, title XV, August 8, 2005, and the regulations adopted pursuant thereto, and 40 CFR part 280, so that the Idaho department of environmental quality may promulgate rules, through negotiated rulemaking, to implement a state underground storage tank program as provided in section 39-8805, Idaho Code;
 - (b) That such program not constitute a new corrective action program;
 - (c) That such program qualify the state for federal funding from the federal leaking underground storage tank trust fund; and
 - (d) That such program not may be funded by user fees or other fees for service such as that provided in section 39-119, Idaho Code, not to exceed one hundred dollars (\$100) per tank per year. These funds shall only be used for the underground storage tank program;
 - (e) A fee balance greater than thirty-five thousand dollars (\$35,000) as of December 31 of each year, excluding any early payments for the fees due January 2 of the following year, shall be used to reduce the following year's fee; and

- (f) Prior to February 1 of each year, the director shall report to the governor and the legislature on the use of fees collected the previous year. At a minimum, the report shall include:
 - (i) A list of all tanks subject to inspection;

- (ii) The type of inspection and regulatory authority or guidance used; and
- (iii) A detailed accounting of how fee funds were spent.
- SECTION 2. That Section 39-8807, Idaho Code, be, and the same is hereby amended to read as follows:
- 39-8807. OPERATOR TRAINING. (1) The department shall adopt an operator training program to be conducted by either the department or a state of Idaho approved third party to help underground storage tank system owners and operators and their employees understand and comply with the requirements of this chapter and rules promulgated pursuant to this chapter. The training shall be consistent with 42 U.S.C. 6991i(a).
- (2) Training conducted by the department shall be offered at no cost, on location, to owners, operators, and employees of underground storage tank systems regulated under this chapter. The training shall be specific to the equipment on location.
- SECTION 3. That Section 39-8808, Idaho Code, be, and the same is hereby amended to read as follows:
- 39-8808. INSPECTIONS. (1) Underground storage tank systems regulated under this chapter which have not been inspected by the department or the United States environmental protection agency since December 22, 1998, shall be inspected by the department in compliance with this chapter.
- (2) After completion of all inspections required under subsection (1) of this section, the department or a third party inspector certified by an approved state or national program, shall conduct on-site inspections of underground storage tank systems regulated under this chapter at least once every three (3) years to determine compliance with this chapter.
- (3) If the department conducts the inspection, it shall not charge $\frac{a}{a}$ additional fee for the inspection.
