IN THE HOUSE OF REPRESENTATIVES

HOUSE CONCURRENT RESOLUTION NO. 45

BY HEALTH AND WELFARE COMMITTEE

A CONCURRENT RESOLUTION

STATING FINDINGS OF THE LEGISLATURE AND REQUESTING THAT THE DEPARTMENT OF INSURANCE CONSULT WITH INSURANCE INDUSTRY LEADERS TO DETERMINE HOW TO MAKE MEDICALLY NECESSARY HEARING DEVICES AND RELATED SERVICES AND SUPPLIES AVAILABLE TO IDAHO CHILDREN NOT CURRENTLY COVERED BY MEDICAID.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the ability to hear can be critical to a child's brain development and can strongly affect educational progress; and

WHEREAS, more than 1,000 Idaho children are fully deaf, partially deaf or hard of hearing; and

WHEREAS, many children who are deaf or hard of hearing could experience substantial improvement in their hearing with hearing aids, bone-anchored hearing aids or cochlear implants; and

WHEREAS, a child's inability to obtain these devices is not only detrimental to the child's success but also costly to Idaho schools, which must supply special programming to support the learning needs of children who are deaf or hard of hearing; and

WHEREAS, while Medicaid covers these devices, families who do not qualify for Medicaid are frequently unable to pay for the devices and related services and supplies when insurance declines to cover them; and

WHEREAS, Idaho's administrative rules currently permit insurance companies to deny coverage for hearing devices and related services and supplies in many instances when the devices have been deemed medically necessary by a health care provider; and

WHEREAS, a change in the administrative rules and in the practice of many insurance companies could make necessary hearing devices and related services and supplies more available to the Idaho children who need them and who are otherwise covered under private insurance plans.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-fourth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Legislature requests that the Department of Insurance consult with leaders in the insurance industry to determine how to make medically necessary hearing devices and related services and supplies available to Idaho children who are not currently covered by Medicaid.

BE IT FURTHER RESOLVED that the Legislature requests that the Department of Insurance collect data and ascertain the costs for including this benefit in private insurance plans and, further, that the Department determine any impact on the Idaho general fund for the addition of this benefit.

BE IT FURTHER RESOLVED that the Legislature requests that the Department of Insurance and leaders in the insurance industry report their findings and recommendations, if any, to the First Regular Session of the Sixtyfifth Idaho Legislature.
